

# Toys for Children 2009

What fun! Bailey's Rotarians and a guest assembled 12 Dec at the local Toys R Us to purchase toys for distribution in the Bailey's Crossroads annual toy event. Those "elves" helping in the selecting and shopping were. The team collected 85 toys--- spending over \$1100 – to provide a wonderful Christmas for many children in the Bailey's Community. In addition, our club already collected 26 toys from generous members and additional donations of \$145.00 to help in purchasing toys!

Allan B., Officer Fox, Ben H.

Everyone had a wonderful time selecting toys and had fun being part of the process to provide toys for children who otherwise would not have a joyous Christmas. Ben, Allen and Dave delivered a huge stack of books and other toys to the motorcycle police at the Mason District police station. They, in turn, delivered the books and toys to children along Columbia Pike with a focus on children confined to hospitals. Remaining toys were delivered to St. Anthony Church Youth Group. They collect toys, wrap them, and provide them to Culmore area children. This year a total of 200 families will be happy recipients of toys from the group. This was a great BXRC Community Service Project! Rotarians served area residents and directly impacted and improved the lives of our neighbors.
