

Local Community Participates in International Literacy Day

International Literacy Day was celebrated during the week ending September 5th. To commemorate the day, *Jim Holcomb*, Honorary BXRC Rotarian and the J.E.B. Stuart High School Interact Club counselor, was joined by **Bill Bailey** during a visit to the Willston Multi-Cultural Center Computer Clubhouse in Falls Church. There they spoke to the educators and handed out dictionaries.

The Computer Clubhouse is open to youth from ages 8 to 18 years and provides a creative and safe after-school learning environment where young people from low to moderate income communities work with adult mentors to explore their ideas, develop marketable skills, and build confidence in themselves by using technology while learning to give back to the community.
